Agreed, get it out, feel the relief. It is good and it does not have to be perfect. I'm sure the CSTAG members have seen all types.

You're welcome.

That is what I am thinking. I am going to fix up the last remaining stuff, pdf it and get it out the door!

Thank you so much for the card and magnet! It was so sweet and encouraging. I know I'll going to need to look at the magnet when I am down in Edison

Jen,

Please take a look at the attached revision and let me know if you think the changes are enough, or if you want the text expanded further.

Importance: High

Ed – Can you see some newly added text on page 25 of the revised 11 Principles Memo.

Its pretty rough right now, but I’m hoping you might be able to expand on it or at minimum clean it up.
